**DESCRIPTION/OPTIONS:** This has been my personal truck for the last 4+ years. When I bought it I had new cab corners, rockers, complete bed sides and outer wheel houses done. It has the 5.3. Loaded with leather and moon roof. Also has rough country lift. Runs and drives very well. Ice cold A/C. It is. Being sold as-is because of the lift and the miles but I don't think it needs anything for inspection but bring your mechanic and see for your self. Thanks Duke
